An inquiry into the contents and medicinal virtues of lincomb spaw water, near Bath [electronic resource] : By William Hillart, M.D. The second edition. With large additions and the addition of four more cases

In Lincoln's Virtues, William Lee Miller addresses the relationship thematically, and for this reason his book provides a good introduction to the other two. Then there are vigorous passive movements, as used by bone-setters, when endeavouring to break up adhesions in and about joints. There is very little new that can be said of these earlier discoveries of 1755- The later excavations and discoveries, which in an especial sense may be regarded as the development of the earlier, have re- vived, or it may be said have given new life and interest to those of 1755.

The Spiritualist Who Warned Lincoln Was Also Booth's Drinking Buddy
