Toutes les formes des mots arabes En plus : It is my belief that this difficulty could be compensated to a large extent by citing all the irregular broken words verbs, nouns and plurals and those for which estimation of the root is rather difficult, alphabetically and then sending the user here-from to the root. Thus I don't find it worth of mentioning and reviewing.

The producers of dictionaries should understand that theoretical-only solutions at the cost of throwing the user from place to place through the pages is not fair at the first place and should not be attempted at all, unless it is absolutely necessary. The arrangement of verb-forms and derived words are more orderly and easier to find and hit on.

Un dictionnaire de version : arabe-français. For a foreigner learning Arabic, the problem of a fully satisfactory dictionary is the most prominent one.

ne-x.uni.rf.gd: Customer reviews: Dictionnaire Arabe

The dictionary is arranged in the usual root basis for Semitic languages. Although they are surely the best, this very annoying problem unfortunately remains still unsolved also by both of the mentioned dictionaries.

Dictionnaire arabe

Words are written with almost full signs of vowels, sukuns, hemzets. Both dictionaries take care of this point quite unsatisfactorily.

Although and perhaps more or less inevitable, the hidden paradox in this approach is explained in my review for WEHR's dictionary. The points expressed above apply only to the section of Arabic to French.

Livre : Dictionnaire compact plus arabe

This is well and I accept as a merit. This is because this dictionary is more readable with higher face letters.
