She rants obsessively about an unnamed woman whom she identifies as 'she' and 'her', yet it is clear that she is speaking of herself. Several minutes later, the first and for tonight, the only verse appears, momentarily grounding us before Phil wrestles control of the piece away from the rest of the band again and bludgeons us with an earth shattering bass solo that soon devolves into an almost Seastones-esque level of noise.

I encourage you to listen to this show from start to finish and not skip around, in order to experience this amazing night as it builds towards that jam, just like the people who were there. Facing six times champions in the semi-finals, Best scored the only goal of the home fixture with a 15-yard strike that described as one of Best's finest goals.

Not I (Short 1973)

I dislike it when film critics usually male fixate on some tiny physical imperfection in the face or body of an attractive actress.
