Cannock Chase, or Heath, contains upwards of 25,000 acres; in some parts, containing extensive sheep walks. Plans and specifications may be Inspected at the office of the Municipal Association, 140 Queen street, Melbourne, and at this office. The Field watch was so named after the Hunting Editor of the Field magazine, Arundel, wrote I have used the watch for four months, and I have carried it hunting sometimes five days a week, and never less than three.

Economic and Social History: Industry and Trade, 1500

The lead came from those conducting the larger businesses.

Drake's Road Book of the Grand Junction Railway, by James Drake

A triangular egg stand on ball feet, original cut- glass egg cups and spoons. Edward John Dent was alive when the the company was awarded the contract for the clock, but he did not live to see it completed.
