Wealth Transfer Planning and Drafting

A life insurance policy or an annuity with enhanced death benefit is a good choice to

consider. Accordingly, as difficult as it is for couples to contemplate while married, planning for divorce should at least be considered when drafting the terms of any SLAT.

In addition, a major benefit of an irrevocable trust is that it may not be subject to estate taxes on the death of the grantor, and the assets of the trust may be protected from creditors of the grantor, the beneficiaries of the trust and from spousal orders in divorce proceedings but the assets may not be subject to the estate tax if the trust is drafted properly and certain other conditions have been met. Contact your employer's customer service team or plan administrator for a current listing of your beneficiary selection for each account. In the year the conversion takes place, the account owner will pay income taxes on the amount converted.
