### **GENUKI: Scotland, .All of Scotland**

It is thanks to Sibbald's proposed atlas that so many survive in the National Library today. The language the Picts spoke has been lost, but more than 250 stones with Pictish symbols survived and these can give us a better understanding of the Picts.

### **Fabulous facts about Scotland!**

They are among the oldest rocks in the world.

### **Inland Revenue Survey Maps and Field Books**

One of the most famous murder trials ever to take place in Scotland was that of Madeleine Smith, 140 years ago.

### **GENUKI: Scotland, .All of Scotland**

The regulations are the principal piece of legislation covering special waste arising in Scotland. Note, however, that while the site gives advice on how to make best use of a visit to the NAS in Edinburgh, none of these records or images are available on-line.

### **Old maps of Scotland**

Neil Gow, the Prince of Scottish Fiddlers, was born at the Perthshire town of Inver in 1727. View a selection of battle plans on our website under 'Battles'. The map shows over 600 place-names and 170 clan names in their earliest forms.
