### 45 Jaw

There are supplies like fabric glue, fusion tape, and Velcro to replace sewing skills. We figured we would easily get this project done before the baby arrives, but that slowed things down. They can be made from virtually any material, come in endless pattern possibilities, and can make a space feel open and airy or quiet and dark, depending on the thickness of the material used.

### Arched Window Treatment Options

This dramatic look can certainly be used to great effect in other rooms besides the kitchen. This cool look makes such a dramatic impression that it is among the very best DIY curtain ideas, so it is well worth trying. If your bathtub or shower sits directly next to the window, as seen above, a pair of flowing curtains probably won't suit your space.
