This claim sets up a false division between faith and reason. The smaller response among the audience in Athens is likely to have been because it was a less receptive mission field, one that was steeped in Greek ideas and therefore whose people were not easily persuaded.

### **An Introduction to Christian Apologetics**

Honestly, at this stage of my search, I am leaning toward fully embracing Islam. The classical and evidential approaches are strongest in defending specific truth claims that tend to be questioned in the middle of the process.
