Families & Households Tables

NOTE: Updated population controls are introduced annually with the release of January data. The establishment survey does not.

Income Data Tables

This classification system is derived from the 2018 Standard Occupational Classification SOC.

MARC21

The household survey collects data on the number of persons who had a job but were not at work due to bad weather. These supplemental data come from questions added to the household survey beginning in May 2020 to help gauge the effects of the pandemic on the labor market.

Census of Manitoba, 1936, Recensement Du Manitoba: Occupations, Unemployment, Earnings and Employment, Households and Families; Occupations, Chômage, Gains Et Emploiement, Ménages Et Familles (Classic Reprint): Statistics, Canada Bureau of: 9781391557809: Books

These groups account for approximately four-fifths of the total employment on private nonfarm payrolls. Preliminary NOTE: Data have been revised to reflect March 2020 benchmark levels and updated seasonal adjustment factors. } } Edited by merge works Edited by link works Created by Imported from
