Her face said she knew but held out hope. Coping with hyperactive child is difficult for those who understand, but downright trying for the uninformed.

## 10 Things Adoptive Parents Should Do When Bringing Their Child Home For the First Time

If you commit to the most challenging track of classes and then load up on uber-challenging electives on top of it, you might overextended yourself, and your grades could suffer. Instead of reminding and counting down and trying to avoid meltdowns, last night we sang the Olaf song as she cheerfully picked out her Olaf underwear and put them on. It is with a great deal of humility that we are even attempting to describe what the future may hold for you and your family.
