Supervision of the execution of judgments of the European Court of Human Rights 2018

In that regard, members of national delegations to the Assembly have a role to play. This may be difficult for the Court already limited in resources and struggling to maintain the consistency and coherence of its case-law to execute in every case.

Execution of Judgments Under the European Convention on Human Rights

This enhanced supervision implies a more proactive approach on the part of the Committee in assisting States to identify the content of remedial measures required and, where necessary, putting more pressure on the State concerned to comply with an adverse judgment swiftly.

Execution of judgments of the European Court of Human Rights

The reasons for implementation problems are of at least seven types: a.

The execution of Judgments of the European Court of Human Rights in the Domestic Greek Legal Order

It is not yet clear whether the internal appeal to the Grand Chamber, instituted by Protocol No 11, could turn out to be a part of the answer to this problem. A comparative study of the legislation and legal practice of the Member States of the Council of Europe in the areas where such obstacles occur, might assist the domestic authorities in finding solutions.
