military response, or too little; too much leaning on middle eastern governments, or too little, etc etc.

The Middle East that Obama is wading into

Tyler looks at our foreign policy in the Middle East from Truman through 2008, and shows how inconsistent we have been, and how this inconsistency caused many problems. All of which is to say this book is very informative, and about 200 pages too long. Tyler focuses on key turning points in U.

The Middle East that Obama is wading into

Bush, and the role they played in Mideast peace, either helping or hurting its cause. Every American president has made a major screwup in their handling of the Middle East. .

A World of Trouble: The White House and the Middle East

The take-away, if you're after such a thing, is that the American government never does the right thing; always too much

The Middle East that Obama is wading into

This will probably change your opinion of our role in the Middle East, it has mine. Published in 2009, the narrative ends around 2006.

The Middle East that Obama is wading into

I do like that he took an opinionated stance throughout the book, and he seems to have been non-partisan. I found Wikipedia very useful to keep nearby as I read this book. A World of Trouble is the Middle East book we need now: compulsively readable, free of cant and ideology, and rich in insight about the very human challenges a new president will face as he or she tries to restore America's standing in the region.

The Middle East that Obama is wading into

A World of Trouble is the Middle East book we need now: compulsively readable, free of cant and ideology, and rich in insight about the very human challenges a new president will face as he or she tries to restore America's standing in the region.
