A Brief History of Spiritualism

Empirical understandings of both mediumship and spiritualistic phenomena would tend to take an interest in approaching the phenomena as events taking place in the natural world and hence amenable to scientific study and explanation. Steere for caregivers to accommodate a spiritual dimension in their work.

A Brief History of Spiritualism

The following account of Swedenborg is based on information obtained from several online resources. Perhaps you come from a long line of devoted disciples of Jesus. Karma, reincarnation, the nature of the soul, a spiritual evolution of humanity on Atlantis through root races and a belief that the spiritual domain can be scientifically explored and researched by psychical means are central beliefs to both Theosophy and Anthroposophy.

A Brief History of Spiritualism

The Steeres coauthored Friends Work in Africa which was published in 1955. In 1848 two young girls, the Fox sisters, played a harmless prank on their superstitious mother by faking ghostly knocks and footsteps in their home.

Discovering Your Spiritual Heritage

Emanuel Swedenborg It was in the year 1787, fifteen years after his death in London, that the first Swedenborg church was founded here in the UK by his followers.

Spiritual Presence in Psychotherapy: A Guide for Caregivers

While continuing their work in these regions, Douglas Steere served as Chairman of the Friends World Committee for Consultation, arranging meetings with international theologians from 1964 to 1970, especially in Japan and India, in order to explore ecumenism and encourage communication. This caused my Grandpa to warn my Dad of the dangers of alcohol abuse and the importance of being a loving, responsible family man.

A Brief History of Spiritualism

The timeline of this brief history ends at around the turn of the 19th century with the scientific debunking of the phenomena associated with spiritualism. His science was of the spiritualistic kind promoted by the spiritualism movement within which he played a prominent role. Many such Theosophists were to become founders of the first Anthroposophical groups in Britain.

Spiritual Presence in Psychotherapy: A Guide for Caregivers

He even goes on to suggest that as a spiritual leader delivering spiritual truths Blavatsky had to tailor her message to suit the level of understanding of the audience of the day. Rationality was the means of arriving at spiritual truths. Am I living, loving, and serving in a way that builds the kingdom and gives life to those around me? In addition to the professionals who will find *Spiritual Presence in Psychotherapy* an important resource and reference, the book will also serve as a key graduate-level textbook for students of professional issues and ethics, as well as psychotherapy and spirituality.

Discovering Your Spiritual Heritage

Originating in America, the spiritualism movement was initially drawn together by a shared interest in things that at first were novelties and events of the sensational kind — clairvoyance as mediumship and the spiritualistic phenomena associated with mediumship:appings, rappings, ectoplasm, disembodied voices, floating musical instruments and the like and, most sensational of all, purported communications with the dead. Two hours later, I had a much clearer picture of what my ancestors were like. Also surviving, here in the UK, is the Swedenborg Society, a society dedicated to the man generally credited with being the progenitor of the central ideas and beliefs of spiritualism.
