VEB has blocked the Sberbank's sale of a resort in Sochi

We have also represented clients in connection with hotel and assisted living projects.

Timeshares, Vacation Clubs, and Related Scams

The first IR facilities are expected to be open in the mid-2020s.

Hotel Business Definition

Establish themes because specifications popularize resort business. As a result, integral development of highly profitable casinos and other core facilities will lead to the establishment of a businesses model in which casino revenue internally subsidizes vast initial investments. .

Timeshares, Vacation Clubs, and Related Scams

Work closely with estate developers and ensure that no legal violation has happened in resort development. IR refers to large-scale complex-type resort facilities consisting of casinos and entertainment facilities, in addition to accommodations, convention halls, restaurants and cafes and retailers.

Hot spring resort development in Laguna Province, Philippines: Challenges in water use regulation

The race among the pairs of local governments and selected private sector operators for the maximum of three locations for the Japanese IR development projects is already gaining steam and is carefully watched by the Japanese public as a whole.

Challenges in making Japan a tourism

Ensure that people involved in making your resort success are made aware of future plans for business and they are at home to maintain it as

coworkers.

Timeshares, Vacation Clubs, and Related Scams

Despite the global financial crisis, the so-called Lehman shock, hit in the late 2000s, the large-scale IR facilities have brought about a significant and continuous increase in the number of overseas visitors and domestic consumption.

Hot spring resort development in Laguna Province, Philippines: Challenges in water use regulation

Knowledgeable staffs should be hired for promotion. Japan will be hosting various global events such the Tokyo Olympic Games in 2020 and Osaka International Exhibition in 2025. Those who try to maximize the revenue, however, find a paradox built into the business.
