## Selected Poetry of William Wordsworth by William Wordsworth

Catherine had died the previous June, a few months before her fourth birthday.

## Selected Poems of William Wordsworth by William Wordsworth: 9780140424423

Props to having the greatest surname a writer could ever have! Wordsworth read copious amounts of eighteenth-century poetry, and there is much of the style of the time—albeit deeply transformed—in his writing, too. But the mystery which makes them so powerful remains. Wordsworth, in writing about his life and the lives of shepherds and things, talks a lot about grass and trees and rivers and mountains.

## Selected Poems by Wordsworth William

It is a conversational poem that contains elements of an Ode and dramatic monologue. But, I think he might move up a bit on my list of favorites. Oddly, one of the things that obscures the purpose in many of Wordsworth poems is the very simplicity of the language; one of the hardest things in reading his works is to concentrate on the behavior of words that seem not to be doing anything special at all.

## 10 poems by William Wordsworth you should read

About this Item: Penguin Classics. One thing for sure, he's definitely a Romantic Poet. Conversation with Not while crossing Westminster Bridge earlier this afternoon: N: Let's get off this bridge and go somewhere where there aren't so many fucking tourists.
