An African Century?

But of course, this is only half of the equation, which brings me to my second point: III.

Africa Notes: Africa in the 1990s

On the contrary, democracy and human rights advice have served as covers for transferring wealth to masthead organizations who at best serve as hosts to visiting American democracists, and at worst end up as fronts for political movements. However, an insurgency arose against the U. One word of caution, though: I firmly believe that a louder voice and a stronger presence of Africa on the world stage must not be confused with scapegoating others — say, the Western world — for home-made problems.

Black History Timeline: 1990

The contributions of the UN to development thinking and practice are seriously understudied. In February 1998, Osama bin Laden, as the head of al-Qaeda, signed a fatwā declaring war on the West and Israel, and later in May of that same year al-Qaeda released a video declaring war on the U.

How events in China in the 1990s shaped the world we live in now

Here, however, we have to content ourselves with an overview of several essential current topics that have clear transnational dimensions and also are part of the challenge of development. One reason for choosing Polity IV is its long-run perspective. The term is often used in reference to the general easing of relations between the Soviet Union and the United States in 1971, a thawing at a period roughly in the middle of the Cold War.

World Politics: Continuity and Change Since 1945

A component of the Cold War, this policy was a response to a series of moves by the Soviet Union to enlarge its communist sphere of influence in Eastern Europe, China, Korea, and Vietnam. Alvarez presents readers with a succinct summary of his own substantial writing and teaching at several prominent law schools.

Facts and figures: Women's leadership and political participation

The end of colonization and the achievement of sovereign independence came within a decade or two, whereas in 1945 many observers expected that the decolonization process might well take a century. The 1991 collapse of the former Soviet Union had seemed to validate the views of the extreme free-market advocates.
