## Political Theology: Four New Chapters on the Concept of Sovereignty on JSTOR

In a text innovative in both form and substance, he describes an American political theology as a secular inquiry into ultimate meanings sustaining our faith in the popular sovereign. And think of three volumes written or edited by Richard Horsley: — Paul and Empire Trinity Press International, 1997 — Jesus and Empire Fortress Press, 2002 — In the Shadow of Empire: Reclaiming the Bible as a History of Faithful Resistance Westminster John Knox Press, 2008 Of course one need not agree with all that is found in these volumes, and Horsley and Co may have taken things too far. I should also mention that there is an Appendix which includes letters between Taubes and Schmitt, a bit on their story, and an Afterword written by the editors that takes the book section by section, connecting the dots where Taubes is often only suggestive.

## The Political Theology of Paul by Jacob Taubes

If politics remains even in part a practice of sacrifice, then we must follow Schmitt into the domain of the theological.

## Category: The Politics of Scripture

You want to discuss divorce; the problem is hardness of heart. It proceeds at the intersection of constitutional law, cultural anthropology, theology, and philosophy. De briefwisseling met en over Carl Schmitt in de bijlagen doet vooral voelen hoe pijnlijk de situatie voor Taubes moet zijn geweest na de Shoah.

## Jacob Taubes. The Political Theology of Paul

Virilio, Paul and Bertrand Richard.

## Paul Ricoeur and Political Theology

While liberal theory has given us tools to understand the rule of law, it has pushed out of sight the meaning of political sacrifice. It's influence on Agamben's Time That Remains which is dedicated to Taubes is apparent.

## Political Theology: Four New Chapters on the Concept of Sovereignty

Quite apart from providing another version of Kahn's thinking about the nature of American political life, Kahn's new book offers an extremely original and insightful proposal about what to take away from Schmitt's project of 'political theology. Schmitt appears as a thinker overwhelmed by circumstances.

### **Jacob Taubes. The Political Theology of Paul**

Caesar demanded both worship and subjection, and religious propaganda was the primary means by which political control was maintained. The deepest symptom of liberal inauthenticity, according to Kahn, is the belief that political opponents can always be brought to agreement through reasonable deliberation. Rather, the political rulers are officeholders, with required standards of service and patterns of accountability — people who must never look down on their fellows.
