Sorel's emphasis on the need for overthrowing decadent liberal democracy and capitalism by the use of violence, direct action, general strikes and appeals to emotion impressed Mussolini deeply. Italy

But since I learned that these miserable and accursed people do not cease to lure to themselves even us, that is, the Christians, I have published this little book, so that I might be found among those who opposed such poisonous activities of the Jews who warned the Christians to be on their guard against them. He also requested in this book that the Catholic Church cast the Jews out of Europe, and it was the Church's failure to comply with this request, among others, that convinced Martin Luther to break with the Catholic Church. King Victor Emmanuel III had become a popular ruler in the aftermath of Italy's gains after World War I and the army held close loyalty to the King, thus any idea of overthrowing the monarchy was discarded as foolhardy by the Fascists at this point.

The National Socialist platform, like other fascist platforms, called for the promotion of a middle class and for the support of small business through the power of the State. With our faith we drive the devil from the land. The early laissez-faire economists, such as Adam Smith, believed in the liberal ideology that individuals should be encouraged to take actions that would be beneficial to society.

Fascism

Instead of rallying behind communism, they largely rallied behind their respective kings and countries. No, never and at no time was greater internal damage done to Christianity than in these fourteen years when a party, theoretically Christian, sat with those who denied God in one and the same Government. I SAY: MY FEELING AS A CHRISTIAN POINTS ME TO MY LORD AND SAVIOUR AS A FIGHTER.
