Histoire Naturelle

A de luxe edition of Histoire Naturelle des Oiseaux Birds 1771—1786 was produced by the Imprimerie royale in 10 folio and quarto volumes, with 1008 engraved and hand-coloured plates, executed under Buffon's personal supervision by , cousin and brother-in-law of Buffon's principal collaborator. Buffon notes the morphological similarities between men and apes, although he considered apes completely devoid of the ability to think, differentiating them sharply from human beings.

Histoire Naturelle

Et dans le même temps, « les biologistes travaillent sur le vivant, les adeptes des neurosciences étudient la conscience et ses relations avec le corps. Soon afterwards, the went much further in sweeping away old attitudes to natural history, along with much else. The wolf is illustrated standing in farmland, and as a complete skeleton standing on a stone plinth in a landscape.
