Lucian Freud Works On Paper

One might imagine she was immersed in Dostoyevsky or Henry James as she posed for this picture.

Lucian Freud On Paper by Lucian Freud

Freud was highly sensitive to the optical effect of the clothes an etching sitter wore. This was the period during which, to an observer, he seemed to be joining the Old Masters.

Lucian Freud (b. 1922)

With the eye of the artist, he definitely saw beneath the exterior. His manner and his subjects through these years underwent various transformations, each one magically particular.

It is clear that Freud has reached a new level of sophistication. His pronounced, expressive strokes recall and , and the tilted perspective and anthropomorphic depictions of chairs, shoes, and other inanimate objects bring to mind. It is this very knowledge of life which can give art complete independence from life, an independence that is necessary because the picture in order to move us must never merely remind us of life, but must acquire a life of its own, precisely in order to reflect life.
