Overview of VARK Learning Styles

In the effort to reach all these various types of learners, schools have moved towards small group instruction, instructional goals for each student, differentiated instruction, and interventions planned for each child in each area of failure.

Promoting Preschoolers' Emergent Writing

Model writing stories, making lists, or labeling objects, and then encourage your preschoolers to write a response letter to a character in a story, create their own storybook, or write a wish list or a shopping list.

Teaching Visual Learners: Tips and Strategies for Teachers and Parents

Visual students are always watching and appreciate any visual stimulation that gets their brain moving. General strategies for examining visual texts
Examination of image in context The context, or environment in which a text is responded to, or created, is an important consideration in the first stages of examining an image or visual text. The book covers topics such as: - The design of multimodal texts and the relationships between texts and images - How to build a supportive classroom environment for analysing visual and audiovisual texts, and how to teach about reading images - How to plan a teaching sequence leading to specific writing outcomes - Examples of teaching sequences for developing work on narrative, non-fiction and poetry - Formative and summative assessment of multimodal texts, providing levels for judging pupil development, and suggestions for moving pupils forward - How to write, review and carry out a whole school policy for teaching multimodal writing The book is accompanied by a CD, which contains a range of examples of children's multimodal work, along with electronic versions of the activities and photocopiable sheets from the book, and material designed for use with interactive whiteboards.

Overview of VARK Learning Styles

Dyslexia, dysgraphia, dyspraxia and ADHD There are many ways in which the symptoms of visual processing disorders can mimic , dysgraphia, dyspraxia and ADHD. Visual Approaches to Teaching Writing: Multimodal Literacy 5—11. Preschoolers benefit from daily writing experiences, so it is helpful to embed writing in the daily routine, such as having children write or attempt to write their names at sign-in and during choice times.

Promoting Preschoolers' Emergent Writing

Pair students up with a note-taking buddy so they can concentrate on learning instead of struggling to record information. To illustrate, think about your past school days of having to learn a set of new vocabulary words each week. Visual learners Visual learners retain information more effectively when visual aids are used, such as, pictures, images, film clips, colours and diagrams.
