## How the shift to remote learning might affect students, instructors and colleges

Don't forget that a good old-fashioned phone call can go a long way to reach family and neighbors, too! We can worry about how online learning might change in the future later. These programme areas cover all 17 United Nations Sustainable Development Goals SDGs and unite us in our mission to empower young people so that they may transform the world for the better. Similarly, there are groups working together on student resources at many universities that may not have collaborated before as much as they have been over the last few weeks.
