We can now supply most of the parts to rebuild these Anzani engines and have also reproduced the somewhat idiosyncratic clutch for Frazer Nash chain drive cars.

Historic Car Sales and Restoration

This long term relationship has bred a confident, experienced and capable team. There is a massive Parts List for all MGBs which, if you can wade through it, contains everything you need to know about the GT V8.

Thoroughbred Motorsports LLC

The basic chassis, and the handling, were so good, that much more power and performance could be absorbed without ruining the balance.

The Restoration of Vintage & Thoroughbred Cars

The last car of all, built in September 1976, was Chassis Number 2903.
