Peter Whalley

Connections to Connecticut Although Halley is often considered as a New York artist, Connecticut has played an important part in his life and career. Guggenheim Museum, New York; the Städel Museum, Frankfurt; the Stedelijk Museum, Amsterdam; the Tel Aviv Museum of Art; the Tate Modern, London; and the Whitney Museum, New York.

Peter Halley

With Peter Halley: Big Paintings, the Museum will continue to fulfill its institutional goal of fostering an understanding of American art in all its forms. . He began his formal training at Phillips Academy in Andover, Massachusetts, from which he graduated in 1971.

Lever House Art Collection

They are characterized by his extensive use of pearlescent and metallic paints and feature dense compositions in which multiple conduits radiate from a large centrally-placed cell or prison. His first solo exhibition of paintings took place at White Columns gallery in New York, in Fall 2012.

Lever House Art Collection

The healing vibrations of these amazing Bowls break up congealed and stuck energetic blocks within the Auric field to enable new possibilities for living life on purpose.
