Animals, Ethics and Trade: The Challenge of Animal Sentience by Jacky Turner

It was formalized in a book by Jessica Pierce and me called also see. *Morals, Reasons, and Animals* Philadelphia: Temple University Press, 1987.

Adaptation, Regulation, Sentience and Brain Control

The one thing that I didn't do is attribute it to where it came from.

Utilitarianism

And so we've conspired to bring you all here today to gather and absorb what we know will be wide-ranging views. Why was it included in the Animal Welfare Act? And because it's a lab and because it's full of scientists you can do lots of interesting things.

Animal Sentience

And Ian's really led to this really nicely in terms of our thinking about responsibilities for those who are in charge of animals. Is it always to be able to sense pain, or should the metric be different depending on how you've evolved and what your sensory capabilities are. Further natural extinction events would also be somewhat likely despite a lessening in solar system collisions over time.

Consultation on draft animal sentience bill

This work all has to be approved by Animal Ethics Committees, just as I said.
