Social Services for Children, Youth, and Families in the United States. The book enriches the neighbourhood effects literature with insights from a wide range of disciplines and countries.

Social and Political Influences on Services for Older People in the United Kingdom in the Late 20th Century

It is important that attempts to tackle problems of interagency coordination e.

Social and Political Influences on Services for Older People in the United Kingdom in the Late 20th Century

The results, as the Audit Commission cogently pointed out toward the end of the decade , were perverse incentives to enter residential care and a failure to develop viable alternative community-based services, not to mention exponentially rising costs to the public purse. Instead, I will outline some challenges and some hopes for the future. Rather, this suggests that money be spent mainly on programs physically located in underclass neighbourhoods, run by people with ties to the neighbourhoods they intend to serve.

It's Our Community! Part Two: A New and Progressive Vision For Social Care in Later Life

The Alder Hey scandal was a case in which body parts were removed from large numbers of deceased children without their parents' consent or knowledge, and then stored, ostensibly for research, in a hospital basement.
