Special Libraries Association

Classes and tours are available for senior students and special interest groups. The FamilySearch site has additionally enabled word searching to be done of the passenger list.

[New Zealand standards]

Do not take it personally. A school library that's designed as an important, exciting and welcoming place will, when appropriately staffed and resourced, impact positively on teaching and learning in the school. The St George in 1842 brought 92 boys and another 31 came on the Mandarin in 1843, making a total of 123.

School library design

No boys were sent after 1843 and this system of immigration was officially discontinued in 1845. Use for pre-1800 English imprints acquired prior to 1985. This volume also provides as appendices a set of standard templates and guidance which may be useful in improving the consistency of ground investigation practice but do not form a part of the specification.

NZ Ground Investigation Specification

Standards are not searchable on the library catalogue. Names are in the General Biographical Index. Collection of standards prepared by various bodies and investigated and recommended by the Standards Council.

Special Collections, University of Otago Library, University of Otago, New Zealand

If you are at all unsure about any of the terms and conditions, please ask your administrator or contact Standards New Zealand. Māori people will often say a prayer karakia to bless food before eating it, and they may greet you with a kiss on the cheek.

School library design

The card indexes do not include crew members or passengers who embarked after the ship had left Britain, such as in Australia. Boys and girls came to New Zealand in parties of 15-25 until late 1952 when the scheme was halted.
