Ethics and Morality

Why, then, do we want to believe the prudence moral but not the oneiromancy moral? This too is symptomatic of the times: Hunt gives a sense of what the serious study of film might entail, which draws on those being developed at the time by organisations like SEFT and the British Film Institute.

Educating popular taste: revisiting 'The Popular Arts'

From this he concludes that we should suspend belief on the entire subject of religious truth.

Educating popular taste: revisiting 'The Popular Arts'

There is, in academia, a phenomenon that I would call the contagion of the object of study.

James Britton

In 1763, at age 50, he was invited to accompany the Earl of Hertford to the embassy in Paris, with a near prospect of being his secretary. Essentially, Hall and Whannel are looking for a form of cultural analysis that moves on from the literary approach of the critic F. Hume was educated by his widowed mother until he left for the University of Edinburgh at the age of eleven.

Ethics and Morality

Philo presents several criticisms against the design argument, many of which are now standard in discussions of the issue.

Educating popular taste: revisiting 'The Popular Arts'

The Natural History aroused controversy even before it was made public.

Hume, David

At the end of Fiction and the Reading Public, Q. However, those of us who are interested in education will need to keep searching for the original text. ...
