### Facts on Latin in the Roman Catholic Church

Subjects Aboriginal, Torres Strait Islander and other First Nations people are advised that this catalogue contains names, recordings and images of deceased people and other content that may be culturally sensitive. In Peru, foreign-born priests make up over half the active clergy, because not enough local men can be found. The Jesuit reductions present a controversial chapter of the evangelisational history of the Americas, and are variously described as jungle or as theocratic regimes of terror.

### Churches and Politics in Latin America: Catholicism Confronts Contemporary Challenges

This ordination, in Bolivia, allowed a married man with eight children to become a priest.

### How Latin America influenced the entire Catholic Church

Stanford: Stanford University Press 1996.

### Special Report: The Roman Catholic Church In Latin America.

In Argentina in 1976 the killing of three priests, alleged to be members of a left-wing organisation, was attributed to a right wing group.
