The pandemic also laid bare inequalities that have defined life for millions of Americans for a long time.

The Myth of a Majority

The single best thing Americans can do to counter the left-wing attack on America -- against its freedoms, its schools, its families, its children, its governmental institutions, its sports, its news and entertainment media, its medical establishment, the CIA, the FBI, the State Department and the military -- is to take their children out of America's schools.

Why the Left Really Wants to Kill America

Finally, all our priorities go directly to our core sources of national strength. Our relationship with China will be competitive when it should be, collaborative when it can be, and adversarial when it must be.
