## Women's History Collections at the IISH: International Guide

In a declaration adopted on that subject it is said on p.

### 5.html

During World War I and shortly after the Bolshevik Revolution, the strike activities of the C. Emigrant militants were often expelled from country to country, with many ending up in Spain from 1936 onwards. Internationales Kolloquium an der Universität -GH- Duisburg vom 19.

## FR343 Further Reading

The solution of that question was easy: the general federation of the labor unions became the owner of all means of production and took care of building up a co-operative, nonexploitative, stateless commonwealth. Opposition to this view came from two different directions.

## Labor Movement Developments in France, 1944

In 1968 in Carrara the was founded during an international Anarchist conference in in 1968 by the three existing European federations of the French FA, the Italian and the as well as the federation in French exile. The memory and persistence of internationalist syndicalism As we have seen, for a long time the general strike was the war cry of European revolutionary syndicalism and anarcho-syndicalism.
