Introduction to Pali

Page 402 — or — Paṭṭhāna, nt. Their terminology is given, to aid reference, but may of course be ignored by the beginner. The purpose of this book is to introduce the student, by the most direct path, to the language of the Pali Canon. The Chinese and Tibetan canons are not translations of the Pali and differ from it to varying extents, but contain some recognizably similar early works.

Learning Pali

Sutta references follow the PTS numbering convention.

Answer Key to Warder's 'Introduction to Pali': Exercises 1

Some of those were later translated into Chinese earliest dating to the late 4th century CE. It is systematic and thorough, ideally suited to those with

some prior familiarity with basic linguistic concepts case, declension, gender, etc. .

Pali Basics

According to the stories, the rules were devised on an ad hoc basis as the Buddha encountered various behavioral problems or disputes among his followers.

Pali Basics

The Abhidhamma Pitaka, however, is a strictly Theravada collection and has little in common with the Abhidhamma works recognized by other Buddhist schools.
