## Free industry and industry reports from The Economist Intelligence Unit

There are cases of companies doing business with government whilst not being tax compliant Knipe et al.

## Ethiopia Economic Update: Reform Imperatives for Ethiopia's Services Sector

In parallel, investments in developing and retaining local talent are required. Four main challenges inhibit the faster growth of agricultural output in Africa.

## Black Impact: Consumer Categories Where African Americans Move Markets

These companies must transform them fundamentally and create systems, a performance culture, and governance models along the lines of those found in commercially driven enterprises. Reforming the African Public Sector: Retrospect and Prospects is an in-depth and wide-ranging review of the available literature on African public sector reforms.

## South African public sector procurement and corruption: Inseparable twins?

Applications such as mobile health care will also provide significant benefits, helping governments to stretch thin resources further. On November 11, 2020, it was revealed that an historic anti-corruption blitz which occurred within recent weeks resulted in over 100 South African political, education, health, police and business officials were arrested on corruption charges. A total of 2202 government officials were found guilty of misconduct related to corruption activities between September 2004 and March 2013 Public Service Commission :18.

## Health Care In Africa: IFC Report Sees Demand for Investment

However, those in favour of centralisation argue that the government may save a reasonable share of unnecessary costs by buying in bulk. It recommends a pragmatic path to achieve better outcomes in cancer care in the united states, and is grounded in evidence, analysis and real examples of best practice.

## **Energy use by sector**

Procurement is deemed to be of particular significance in the public sector in that it has been used as a policy tool to address the discriminatory and unfair practices during apartheid Bolton. Local government sphere of government is often vulnerable to corruption particularly during the procurement process.

## **The Africa ne-x.uni.rf.gd**

Superior operating capabilities and financial muscle continue to give the internationals a competitive advantage in Africa; however, sustained growth has eluded those that acquired little and mainly operated more mature fields or had operations in countries with geopolitical and security risks. Our latest whitepaper offers a market-by- market outlook for all 10 countries in South-East Asia from 2016-2020, and identifies 5 mega-trends shaping South-East Asia's healthcare landscape to help pharmas and medtechs capitalise on these emerging trends The Next Lap - Biosciences in Singapore 2025 was produced by Biosingapore in conjunction with Clearstate, an Economist Intelligence Unit business. This quarterly report by The Economist Intelligence Unit looks at how countries are likely to go about reducing their fiscal deficit and provides a longer term outlook for the G20 economies in a post-pandemic world.
