Christopher Hill · Ancient Exploitation · LRB 4 February 1982

Tyranny, which had become rare, began to occur again, suggesting an intensification of class strife.

Review: The Class Struggle in Ancient Greece on JSTOR

However, the propertied classes were determined to maintain, and were able to maintain, their dominance and their economically privileged situation... The great reorganization was therefore primarily for the benefit of the propertied classes as a whole; and for them, or at any rate their upper crust, it worked wonders for a time.

Class Struggle in the Ancient Greek World by G.E.M. de Ste. Croix

As in modern times, democracy was born through struggle on the part of the unpropertied or less propertied. Cambridge, MA: Harvard University Press.

Class Struggle in the Ancient Greek World by G.E.M. de Ste. Croix

Much of the Italian peasantry in this era was impoverished by military conscription, which took them away from their productive activities; at the same time, the rich were getting richer and dispossessing the poor from their land. Gradually slavery declined in such ways as these.

Review: A Marxist View of Roman History on JSTOR

The Roman Empire responded by intensifying exploitation of the free population, legally turning free peasants into serfs people 'enslaved to the land', vastly increasing taxation on all but the very wealthy, expanding the two-tiered justice system for the upper and lower classes and

introducing legal torture and flogging to larger segments of the population, with not even the lower levels of the propertied classes immune from increased subjection. As always, an ideology is adapted to material realities.

Christopher Hill · LRB

Croix shows the primacy of the relations of production in determining the type of society in question. . As a result, Antigonus now was in possession of the empire's Asian territories, his authority stretching from the eastern satrapies to Syria and Asia Minor in the west.

The Class Struggle in the Ancient Greek World : From the Archaic Age to the Arab Conquests by G. E. de St. Croix (1982, Hardcover) for sale online

The Society supports: an extensive programme of publication a library of around 100,000 volumes and 540 current periodicals, maintained jointly with the Hellenic Society and in conjunction with the University of London's Institute of Classical Studies. He cites numerous fourth and fifth-century BC sources to argue that Greek writers themselves including Plato saw political tendencies rooted ultimately in economic interests.

The Class Struggle in the Ancient Greek World

What exactly was the importance of slavery in ancient society? These kinds of inequalities are of course almost universal in history, and very much present in our own society.
