### Difference Between Cabinet and Council of Ministers (with Comparison Chart)

A simple majority is required for the approval of procedural proposals and for anti-dumping and anti-subsidy tariffs. In May 2004 the biggest ever enlargement took place with 10 new countries joining the EU. In its resolution, Parliament considers that the Council and the Commission have failed to comply with the principle of interinstitutional cooperation and invites them to resume negotiations on the matter with the newly elected Parliament.

### The European Council

The European Council provides the EU with the necessary impetus for its development. Accession to the Convention would, however, entail a substantial change in the present community system for the protection of human rights in that it would entail the entry of the Community into a distinct international institutional system as well as integration of all the provisions of the Convention into the Community legal order.

### European Union Executive branch

The Council of Ministers through ECOFIN co-ordinates the domestic economic policies of member states.

### The European Council

The EESC has 344 members, allocated to member states by population and appointed by national governments for terms of five years. The EP authorises the annual budget, prepared by the commission.
