

Foundations of Probability and Physics 4 (AIP Conference Proceedings / Mathematical and Statistical Physics)

American Institute of Physics - AIP Conference Proceedings

Description: -

-

Teaching of a specific subject

Literacy

Children: Grades 3-4

Juvenile Fiction

Social Issues - Self-Esteem & Self-Reliance

Childrens

Childrens 9-12

Fiction

Childrens 4-8

Car racing

Children: Kindergarten

Juvenile Fiction

Concepts - Alphabet

Quantum Theory

Probabilities

Congresses

Physics

prequantum classical statistical models

interpretations of probability

computing and cryptography

anomalies in data

Science / Quantum Theory

Kolmogorov model

Foundations of quantum mechanics

EPR-Bohm experiments

Bohmian models for financial market

Bell inequalities

Probability & Statistics - General

Computer Science

Science/Mathematics

Science

Foundations of probability and Physics

We presented a contextual statistical model of the probabilistic description of physical reality. Teich, Physical Review A 67, 032307 2003.

Quantum Institute Seminar: Urbasi Sinha

Quantum scattering in one-dimensional systems satisfying the minimal length uncertainty relation. Journal of Mathematical Physics, 57 2 , 022103. Plotnitsky 2001 Reading Bohr: Complementarity, Epistemology, Entanglement, and Decoherence A.

AIP Conference Proceedings

Press, Cambridge, 1997 ; Ann. Barrier-traversal-time operator and the time-energy uncertainty relation.

Density Operators and the Subjectivity of Quantum by Matthew S. Leifer

Listed are the publications of the members of the Theoretical Physics Group in international peer-reviewed journals for the past five years. International Journal of Modern Physics B, 27 04 , 1250205. We compare fits of the data to the exponential, log-normal, and gamma distributions.
