## We the People Public High School

How did every presenter keep me on the edge of my seat? And we are only human. Students begin civic education in 3rd grade, when they discuss how and why citizens participate in their communities, and by the end of 8th grade, students are expected to understand how citizens participate in the American political system Klingensmith, 2000. Some places to start: , , , , and.

## Hendersonville High: Home of the Commandos

All three clubs promoted student activism, following open discussion of alternative positions and dialogues with invited speakers expressing diverse points of view.

## We the People Public High School

With active projects and assignments, we can also teach the skills necessary for public engagement, those that our young adults will need to attend protests, write petitions, run for office, and agitate for change. Phi Delta Kappan, 100 7 , 62-66. Exhibitions happen outside of regular school hours so that families and community members can attend.

## Home

The world needs more women like you. So, I decided to do something to make myself feel better. She is the author of Creating Citizens and Making History Mine.

## Citizenship Lesson for Kids

These guidelines explain how to make web content more accessible for people with disabilities, and user friendly for everyone.
