## Race, Nation, and the Color

John Hope Franklin is the author of many books, including *The Color Line: Legacy for the Twenty-First Century*, *From Slavery to Freedom: A History of Negro Americans*, and the highly acclaimed biography *George Washington Williams*. African Americans, in contrast, intermarry at significantly lower rates than Asians and Latinos.

## John Hope Franklin

These lectures explore the differences between some of the beliefs related to race with the reality documented in various historical and government texts, as well as data gathered from census, property, and literary sources.

## Race, Nation, and the Color

For the ferry operator, see. I do not want to mix them on the palette. With his *Translumina* series, which he developed over twenty years, he began working with explicitly sculptural effects and media, creating large-scale wood constructions in low relief, and also working with sheets of aluminum and steel.

## Race, Nation, and the Color

The New York Times best-selling book explores the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. .

**The Diversity Paradox : Immigration and the Colour Line in Twenty First Century America by Bean and Lee (2010, Hardcover) for sale online**

The term was also popularized during the emergence of as it grew in North America.

## Color line (racism)

The bias that permeates institutions, systems and economies are carefully crafted over long periods of time but there are constructive ways to combat such bias. From 1964 through 1968, Franklin was a professor of history at the , and chair of the department from 1967 to 1970. Their only child, John Whittington Franklin, was born August 24, 1952.
