Introduction: Global, European and Scandinavian Histories and the East India Trade

Eminent historians of dress and textiles examine various aspects of the fashions that prevailed in the Northern as well as Southern Netherlands and how they may have influenced neighbouring countries.

Die brandenburgisch

Precious garments and hangings have long been used to adorn certain individuals or locations, or to give significance to an extraordinary situation at a specific point in time. Die Kunst der ägyptischen Dynastie der Fatimiden 909 1171 steht dabei im Zentrum.

Introduction: Global, European and Scandinavian Histories and the East India Trade

Whereas aspects of iconography have been reflected in monographic studies on individual pieces, the broader functional context of liturgical textiles and their iconography have so far barely been considered in scholarly publications.
