Trailblazers: Australia's 50 Greatest Explorers

A linguist who mastered 40 languages and dialects, a war veteran who served in India and the Crimea, an undercover agent who investigated male brothels, a prolific and talented author and poet, a translator, master swordsman, diplomat...the list just goes on and on. Photo: The Art of Travel Partners Like other explorers at those times, including Christopher Columbus, Cabot led an expedition on commission, in his case, England.

8 Great Sea Adventure Stories

That takes boldness, audacity, and an unrelenting thirst for exploration.

Longines inspire new generation of explorers by celebrating four pioneers who paved the way

Famous For: His solo climb of Mount Everest and all fourteen eight-thousanders Explorers come in all forms, Reinhold Messner is one for the ages. His was the era of Antarctic exploration, the race to the South Pole, and a series of legendary expeditions led by extraordinary men that made an indelible mark on history itself. The Old Man and the Sea, by Ernest Hemingway 1952 Some Hemingway fans don't much like this spare, intense little story about an old Cuban fisherman alone on the ocean struggling for many days with the giant Marlin he has hooked--who miss the range and factual precision of earlier Hemingway.

Three Historic Explorers Who Were Captivated By Mermaid Sightings

The surviving ship and handful of survivors limped back to Spain nearly three years after they had set out. Drake died from dysentery in 1596 in the aftermath of a failed final mission close to Panama.

10 greatest explorers of all time

In 1539 he sent Francisco de Ulloa on a sea expedition to investigate. But David Livingstone was a saint among the devils. To read his story is to realize that Battuta was a traveller through and through.

Deep

This became his defining work and one of the most influential science books in the history of the world.

8 Explorers Who Mysteriously Disappeared (and Some Who've Been Found)

She was the first female chief scientist of the U. Although it is odd that he never wrote about The Great Wall of China, or tea, his writings inspired the imaginations of countless explorers to come, including Christopher Columbus. He had a crew of about 2,000 men as he sailed toward the depths of Africa.
