Rama

After one crosses Ram temple, one can climb a to k, although there are steps and support to hold but it is around 80 degrees steep. The Rama of Jainism has numerous wives as does Lakshmana, unlike the virtue of monogamy given to Rama in the Hindu texts. It debates in its dialogues the human dilemmas, the ideal standards of behaviour, duties to those one loves, and mutual responsibilities.

Rama Taraka Mantra

It is home to a variety of deer, blue bulls, wolves, jackals, hyenas, wild boar, sloth bears and panthers. They travel south, meet Sugriva, marshal an army of monkeys, and attract dedicated commanders such as who is a minister of Sugriva. Rama along with his wife, Sita Valmiki in Ramayana describes Rama as a charming, well built person of a dark complexion varnam shyaamam and long arms Aajana bahu, meaning a person who's middle finger reaches beyond their knee.

Rama Taraka Mantra

The stories vary in details, particularly where the moral question is clear, but the appropriate ethical response is unclear or disputed.

Dasarathi son of Dasaratha , or Raghava descendant of Raghu, solar dynasty in Hindu cosmology.

Rama

If one meditates on this mantra on Saturdays, there will be no deficiencies in his life. The variation and inconsistencies are not limited to the texts found in the Hinduism traditions. In the Jain version, Lakshmana and Ravana both go to the of Jain cosmology, because Ravana killed many, while Lakshmana killed Ravana to stop Ravana's violence.
