## Jonas' Introduction to the U.S. Health Care System, Ninth Edition

In 2015, 85 percent of union members in the civilian workforce had access to paid sick leave compared to 62 percent of nonunion workers. All students of health care administration and policy, as well as practicing health care professionals seeking a clear and concise overview of our health care system, will benefit from this resource.

## Jonas' Introduction to the U. S. Health Care System, 8th Edition by Karen Goldsteen, Raymond L. Goldsteen and Benjamin Goldsteen (2016, Trade Paperback) for sale online

Because they need to be able to negotiate, insurance providers generally have a network of doctors that they have agreements with, and patients are covered for visits to doctors within that network but may not be covered, or fully covered, for visits to doctors out of their network. Health Care Medical care was hard to come by in the early days of the colonies, because few British trained physicians came to North America. He has headed teams to develop tools that enhance efficiency and effectiveness of project delivery.
