California Politics and Government : A Practical Approach by Terry Christensen and Larry N. Gerston (2011, Trade Paperback) for sale online

Current examples and clear explanations give readers a solid understanding of the ins and outs of California government. The 14th edition addresses many complex economic and social issues and their impact on state politics.

California Politics and Government: A Practical Approach / Edition 14 by Larry N. Gerston, Terry Christensen

California's People, Economy, and Politics: Yesterday, Today, and Tomorrow. Gerston, professor emeritus of political science at San Jose State University, interacts with the political process as both an author and an observer.

California Politics and Government: A Practical Approach, 13th Edition

Political parties and direct democracy : too much democracy? In addition, public policy coverage is thoroughly integrated throughout the text, helping readers make connections and see firsthand the impact and practical applications of government and legislation in their own lives. I was expecting this to be a boring Civics book, but it's actually really interesting.
