Thérèse Desqueyroux by François Mauriac

This sensitive, intelligent and ethereal actress had entered films with a miniscular role as Jean Gabin's secretary in 'Grande Familles' and within a year took the world by storm in 'Hiroshima, mon Amour' for which she was nominated for a BAFTA.

Thérèse Desqueyroux (2012 film)

I'm a dripping blanket, unable to uplift anyone else.

Thérèse Desqueyroux Study Guide: Analysis

I know nothing of love save that it is the constant object of my desire, a desire that possesses me and blinds me, setting my feet on the ways of the waste land, dashing me against the walls, forcing me into bogs and quagmires, stretching me exhausted in the muddy ditches of life. Analyse du chapitre 4 : Ce chapitre nous révèle le fonctionnement des familles bourgeoises : elles forment un monde clos dont les valeurs fondamentales sont la respectabilité et la propriété.

Thérèse Desqueyroux, Mauriac : résumé et analyse

Analyse du chapitre 2 : Notez la structure complexe du roman. Thus, young Thérèse Larroque becomes Mrs. The title character, a murderess, is fascinating and her story is riveting.

Thérèse Desqueyroux, Mauriac : résumé et analyse

In the end, the isolation ends when Anne comes to visit, and Therese is restored by female company—the first real female attention to her situation in the book. But what would have happened if one of those drunks attached to a deaf bench had had proof of light in making through another day? The English language, particularly in North America, has evolved considerably in the intervening three quarters of a century since its publication, and a fresh new translation in today's idiom is most welcome. Mauriac, the 1952 Nobel Prize winner For Literature, has a very interesting history—he was part of the French Resistance in WWII.

Thérèse Desqueyroux (novel)

An indelible memory - I read this French classic a long time but have never forgotten it. Worse if every day went on without you in a foreign language of peace. The poisoning occurs quite early in the narrative.
