After addressing the issues of why business must change and examining the significance of a global business environment, The Consumer. Examples of Customer-Centricity A lot of companies out there claim to put their customers first, but which ones actually practice what they preach? Handy charts, tables, and illustrations make the information easy to understand, and fascinating sidebar quotations from well-known leaders of various industries--Sam Walton, Jack Welch, and many more--give the book a unique and memorable flavor.
