The Snow Girls by Chris Mooney

However there is nothing major to make it stand out from the crowd.

The Snow Girls by Chris Mooney

Father Byrne is on his deathbed and has decided he wants to talk about the crimes he has been a suspect in. This is Part of a series, however I read this as a standalone and found that it didn't stop me being able to follow and enjoy the story. Father Richard Byrne has been suspected of being her abductor since she vanished and is also linked to two identical disappearances in towns where he was the parish priest.

20+ Snow Girl ideas

Darby's investigation has her looking closely at Father Keith Cullen, discovering family secrets and up against a killer determined to ensure that she gets nowhere close to the truth of the snow girls. Investigator Darby McCormick remembers the case.

20+ Snow Girl ideas

My girlfriends asked my grandparents to let me go berry-picking with them in the forest, and now they've left me all alone! If Kui doesn't save her from Hell in time, it could be thousands of years before her next reincarnation can hope to escape demon life. Cleverly intertwining reality with fiction brings the story to life. .

100+ Snow girls ideas

The last 25% had me gripped tightly! Darby is the chief character who, unsurprisingly, has a history with the town she grew up in.
