Hope you will like it and give your comments and suggestions. These events have turned out to be really great events.

## Penrod

He edited Princeton's Nassau Literary Magazine, known more recently as The Nassau Lit. Did you deal with that at all? It scared me to death to leave that environment—and to strike out off of one of these types of cruise ship environments—down to my little dinghy, and try to make a record, and try to launch a career. The rest of the book concerns the increasingly desperate but futile efforts of Penrod and his gang to prove to

themselves that Mr.
