But he largely played at being a politician, choosing to do as little work as possible, and getting by with his likeability in society. We did not wait two years to do so, quite the contrary. He is now responsible for being up on what is going on with the Atlantic Canada Opportunities Agency, for example.

The Victorian Commons

The fact that a minister has been allowed to be derelict in his duties, while his fellow members of cabinet and the Prime Minister have stood idly by, is another failing of the government. These are priorities that are important to Canadians, priorities we ran on. Larry Kelley shares the details of a lifetime of farming and other rural work while discussing the hardships he and others faced in the aftermath of Hurricane Floyd.

The Victorian Commons

We are not too sure who this bill is for, what the whole point of it is or what it will look like in the end, but this government's image takes precedence above all else.

Debates (Hansard) No. 120

The emphasis on rehabilitation to reduce reoffending is wholly necessary.

Chapter 26 The Legislative Process

Unlike the , the SNP values and respects the work of all our medical professionals.

Daily Kos

We need a fundamental overhaul of the pensions system. This is not a fair recounting of what this has done, which no minister before him had done or was willing to do in spite of the fact that we are dealing with a rot in the military that has been established for a very long time.
