Ecological Theology as Public Theology: A Chinese Perspective in: International Journal of Public Theology Volume 11 Issue 4 (2017)

In China and the West there are different traditions of decency.

Scholars and their marginalia in the Qing dynasty (1644

Chinese sources of South Asian history in translation: Data for study of India-China relations through history Kolkata: Asiatic Society, 2004.

Film: Director

Park Jae Woo, Shiji Hanshu bijiao yanjiu, Beijing: Zhongguo Wenxue Chubanshe, 1994. The Philippine Islands, Moluccas, Siam, Cambodia, Japan, and China at the close of the Sixteenth Century, translation by Henry Stanley London: 1868.

Film: Director

As a storyteller, Wang Tong combines the tragic and comic and thus revives the tradition of melancholic laughter in modern Chinese literature. This paper examines the relationship between Shiji and Hanshu, according to the parallel passages, to discuss the style of writing in which sublime words with deep meaning are used in Hanshu, and also to demonstrate the spirit of Hanshu and its submerged meaning. The article gives a brief description of coincidences, differences and exchanges with emphasis on philosophy.
