These factors play role in shaping destiny of characters. Greek believed on destiny but Shakespeare blamed character himself responsible for his doom

**Shakespeare's Tragic Justice by C. J. Sisson, Hardcover**

A flaw in characters, known as hamartia, is responsible for suffering and death but sometime destiny play its role but on back end. Far more terrible than the defeat and death of Macbeth is the picture of the degradation of his nature, when he appears in the scene before the battle like a beast at bay. But how great my surprise when at the day's end I emptied my bag on the floor to find a least little gram of gold among the poor heap.

**Poetic Justice in Shakespearean Tragic Plays**

There is no other course reasonably open to him.

**Shakespeare's Tragic Justice by C. J. Sisson, Hardcover**

Act one includes exposition, outlines the situation, begins the action and introduces the main characters. But the intrigue plot of villain was strong enough that pushed innocent characters into tragic death. Other characters also experience rise and fall according to the plot but hero remains pivotal figure during the whole play.
